pinge tighten up
P in a pinge fight up
against again Jack Dempsey

Bob McNamara on the one hand
& then Dean Rusk on the other.

the Hill think there's a possibility of the willful quit.

Fulbright: approve of a limited — worried about too general
just why this particular area area

LBJ: every expert you have ever confronted told
to retreat from a stated objective would invite us to greater danger later
— Munich — Korea — in Berlin —
— that you'd never finish any plan they put the heat on you.

I mean
there are military men who'd like to go a lot further.
the air men who'd like to go a lot further.
stupidest thing in the world.
this has an emergency

90 days

COPY LBJ LIBRARY

Rept of Nato.

elimination of hunger.

① - initiation of resolution

② educational – Joint Committee – joint legislation.

③

Presidential Initiative

Letters ready to go. to Congress.

Completely International in Character. – Image we have.

AAA Food

[1600 P. does a background briefing for White House correspondents.

① no deeper commitment]

② no command on all VN decisions

③ maximum between 1 + 2 Billion max – transfer authority.

④ no number beyond 125000 – will be additional people.

⑤ Options - Good Questions]

- ① You could increase of Strategic Force - see me.
- ② You expedite get mob – increase that would to
  "I give mind to talking a little bit.
  ① stay in on – no CinC would demand to deny a request.
  ④ Call up Reserves – 1 year - two years.
  then you get equipment - 10-12 Billion – you'd have critics
  + a war time situ – Pearl Harbor will increase – national emergency
  you could – you'd make unity increase – you'd have Congress in –
  you'd go to Committee – serious consideration.

eg. to time of SAM site question – limited weight.

but when we get to the point of decision.
